A little stop
on the way home

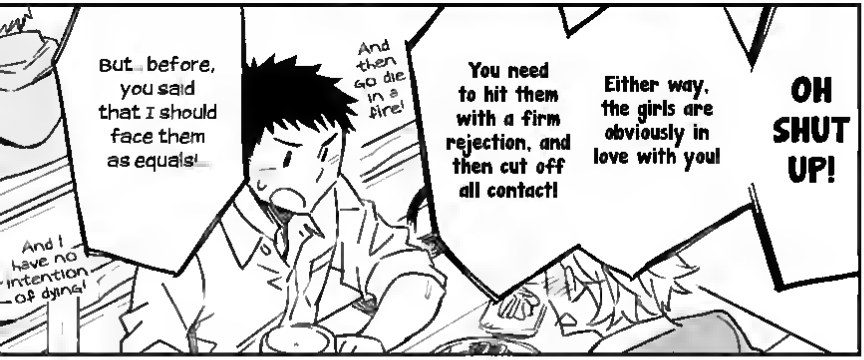
CLU
NK!

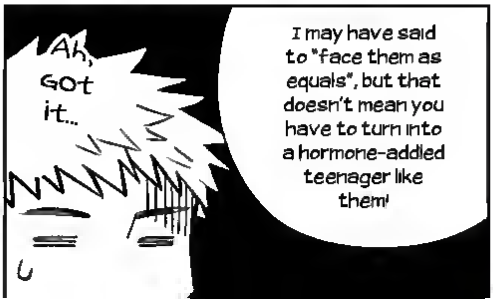
No no, the problem goes way beyond just talking them out of it. And it's not a 'harem'!

CHATTER
You're saying you haven't been clear about turning them down, so even now, you're stuck in the middle of a harem?
So
CHATTER
CHATTER



But... before, you said that I should face them as equals!
And then go die in a fire!
And I have no intention of dying!
You need to hit them with a firm rejection, and then cut off all contact!
Either way, the girls are obviously in love with you!
OH SHUT UP!

Oh, and by the way...



Ah, got it...
I may have said to "face them as equals", but that doesn't mean you have to turn into a hormone-addled teenager like them!

I'm sure you're thinking some naive nonsense like "I want every single student to like me."

CHATTER
CHATTER
It's a vicious cycle, that kind of thing
but you're gonna end up giving people the wrong impression
And it's all fine and good to be willing to sacrifice anything for peace, and to try to please everyone all the time,
CHATTER

2

How would you know the first thing about how I feel!!
SHUT UP!
THUMP
So now I'm the bad guy?

CHUG
Pwaahh!!?

.....

I can't say you're wrong
But,
.....
3
I guess you've still got it pretty rough as a teacher.
Oh? Lemme see.
I got this phone for work only
Hmm? ... It's my staff e-mail
Stop looking!
Excuse me, can I get another?
Hey, your phone's ringing
Ah, me too.
We all went to karaoke together♥
I-it's not what it looks like!
Awawa!
Hurry up with that beer!
Oh yeah, you sure do have it rough!

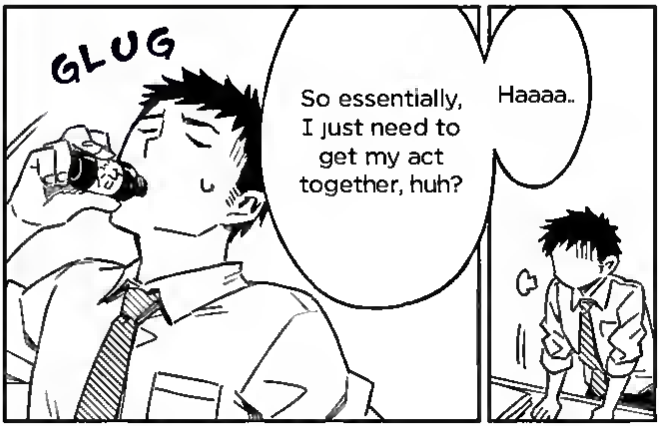
KNOCK

KNOCK



O-oh hey, Kazu-miya
And here comes one already...
SLIDE
Coming in.
TICK
TOCK
TICK
TOCK
TICK
Hrm, what would be a safe topic...?
I need to break this awkward silence!
Damn it, just when my mind was stuck on her...

Apparently you went to karaoke with everyone yesterday?

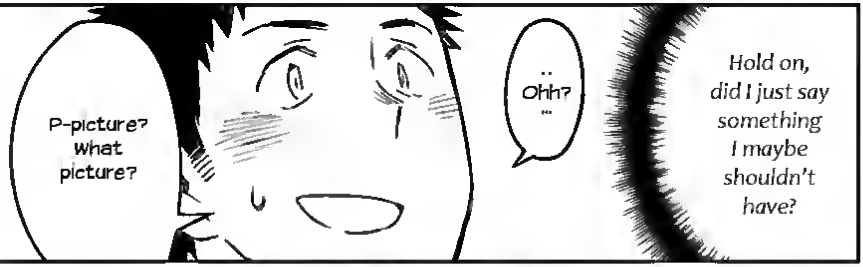
.. Ah.. That's right, Kazumiya...

How do you know about that!?
Maybe now I won't have to–
I'm just glad you guys are finally starting to warm up to each other!
Good for you!
Eh?

Yeah, I heard from Enomoto the Elder...
Umm...
What's this now?

DID... DID SOMEONE TELL YOU ABOUT IT?
TREMBLE
TREMBLE

...So then...
D-did you see it?
...The picture?

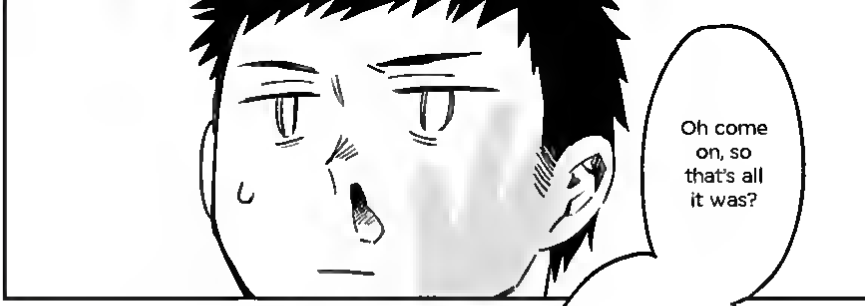


P-picture? What picture?
..Ohh?..
Hold on, did I just say something I maybe shouldn't have?

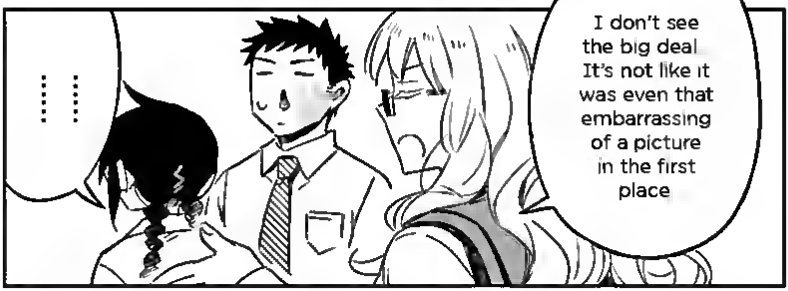
.....
.....
Um... Welll...
You saw it, didn't you!? I wouldn't put it past her to send it to you!

If you've got nothing to hide, then what's the problem!?
Hold on, hold on, I don't have any picture!
It's on there, isn't it!? Hand it over, I'm gonna erase it!!
There's still a little thing called "privacy"!
8
Be-... Besides... I thought that outfit looked good on you..
Ah.
SO YOU DID SEE IT!!!
You leave me no choice but to DESTROY IT!!!
Wait, stop!
My cell phone!

Eiko-chan wanted to–
Sensei~
SLIDE

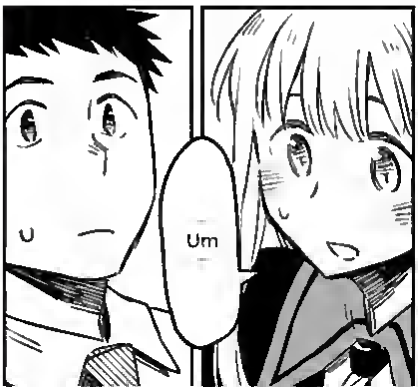


Oh come on, so that's all it was?



I don't see the big deal It's not like it was even that embarrassing of a picture in the first place
.....

Eh hh hh?
Fine, it's not like I even wanted to know anyway!
Considering my position...
Sorry, not going to happen
Unless you're offering to give us one?
Well, I don't have any better way to contact you...
A-anyway, don't send stuff like that to my work e-mail!
Uh,
Um...



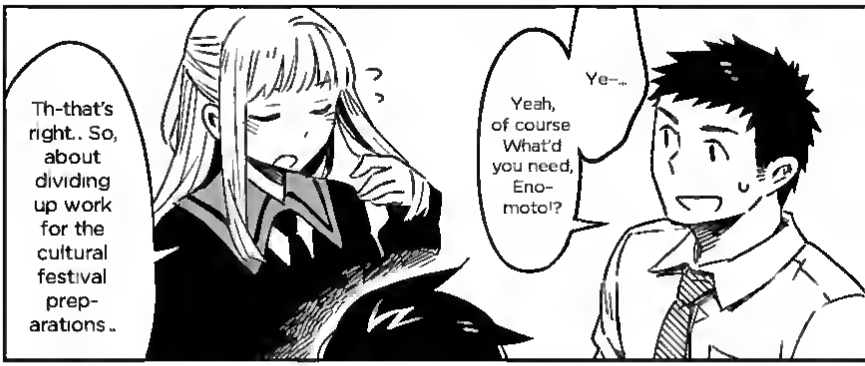
Um

Can..
Can I ask for your advice with the cultural festival?
Um...
Sensei...

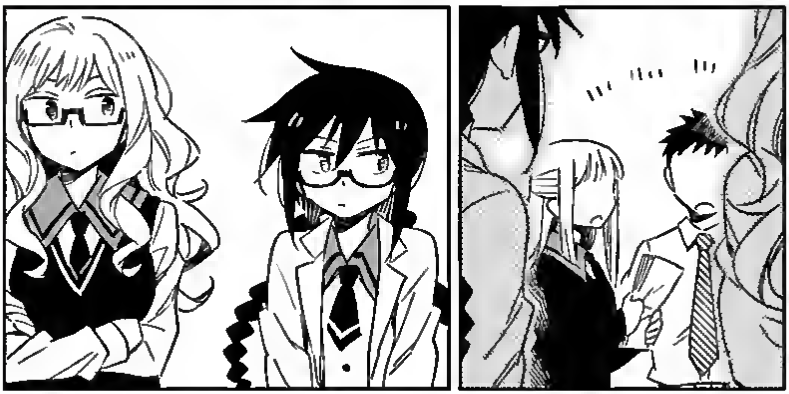
Um... You came up with group divisions for us, didn't you? That helps me out a lot!
... Um ...
I DO LOVE HIM
AND YOU KNOW IT!!
Ah!
Oh no, I was just... doing my job.
Um.. I—

……

If you've got business to discuss, just spit it out already.
What are you guys doing?



Th-that's right.. So, about dividing up work for the cultural festival prep-arations..
?
Ye-..
Yeah, of course What'd you need, Eno-moto!?

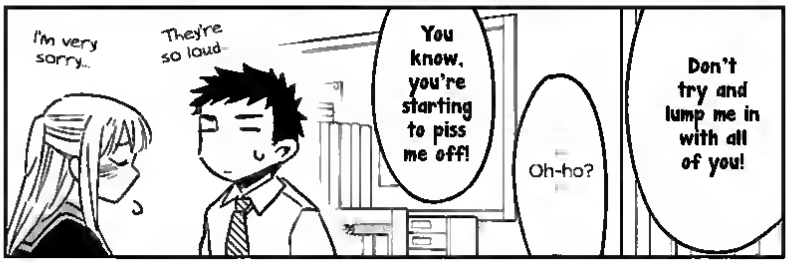


12

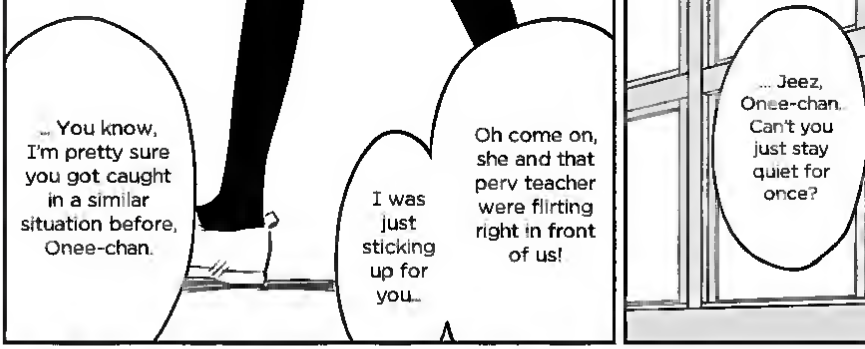
I wasn't... "climbing all over him" or anything like that..
She takes that kind of thing pretty hard.
Could I ask you to refrain from climbing all over Sensei while Eiko-chan is around?
... So, hey.
Sure looked like you were.
Well I wasn't.

Also, Senpai, what are you doing sending Kunihiko-sensei pictures?
What are you, stupid?
Oh please, I bet you're secretly glad that I did.
You got a compli-ment out of it, didn't you?

Actually... I think *you're* the one who's interested in Sensei's compliments
I bet that's why you wanted him to see that picture
Haah!?
What are you talking about!? That's ridiculous!

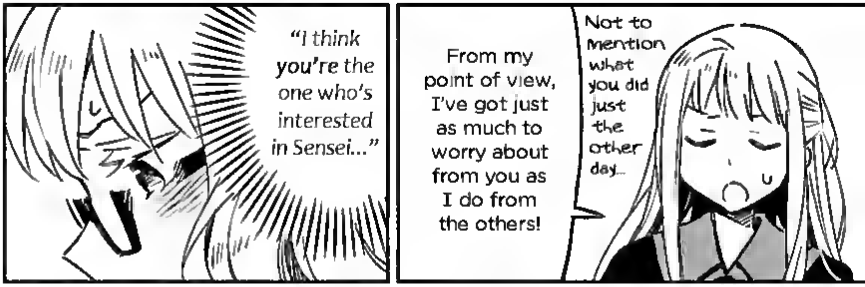


Don't try and lump me in with all of you!
Oh-ho?
You know, you're starting to piss me off!
They're so loud-
I'm very sorry...

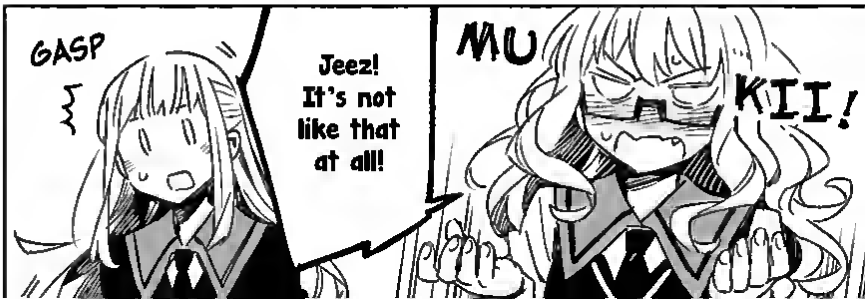


... You know, I'm pretty sure you got caught in a similar situation before, Onee-chan.
I was just sticking up for you...
Oh come on, she and that perv teacher were flirting right in front of us!
... Jeez, Onee-chan. Can't you just stay quiet for once?

... her.
That was completely out of my control
I'd appreciate it if you didn't put me on the same level as...
Ha~h?



"I think you're the one who's interested in Sensei..."
From my point of view, I've got just as much to worry about from you as I do from the others!
Not to mention what you did just the other day...



GASP
Jeez! It's not like that at all!
MU
KII!

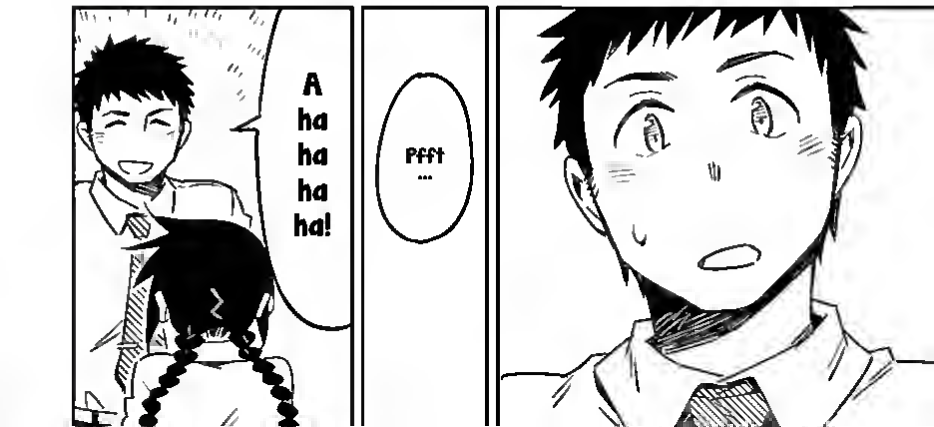
TAP
TAP
.....

I mean, you already saw it, so...
It's... it's not like you have to delete it.

Eh?
?
It's probably not wise to keep it
... Anyway, I guess I'll go ahead and delete that karaoke picture

Wa-... Hold on!... I'm just going to-
I said you can keep it, okay!?
But, you said
Nah, I'll delete it
You don't have to!

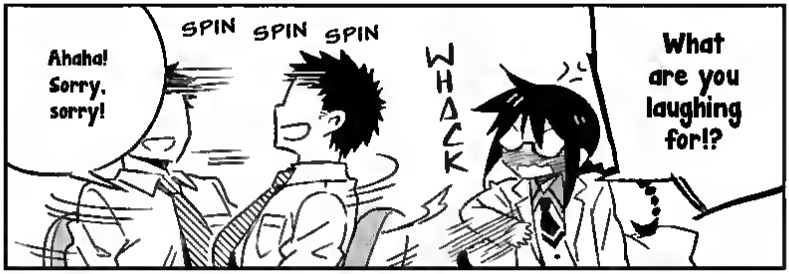
You said...
I looked good in it...
It's just



A ha ha ha!
Pfft ...

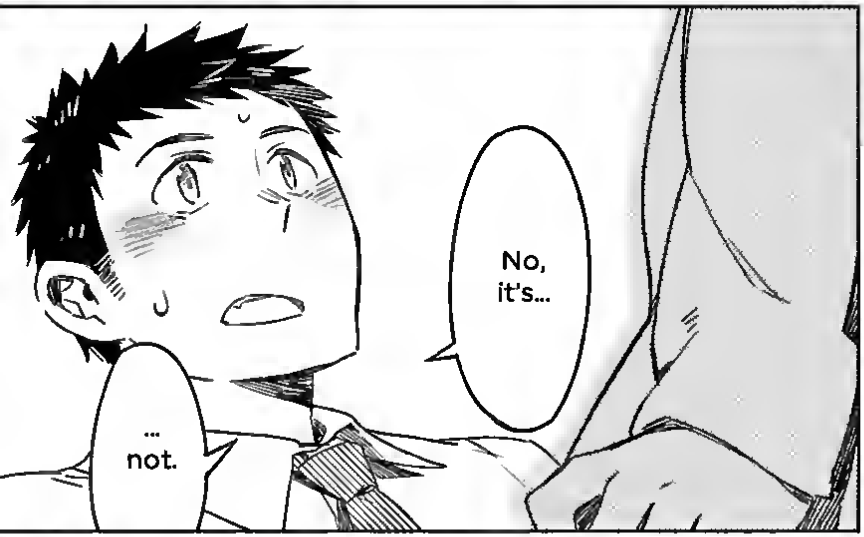
How self-centered of you!
All right, all right

Blu sh



Ahaha! Sorry, sorry!
SPIN SPIN SPIN
WHACK
What are you laughing for!?

BREATH
Is it that weird to want the guy I like
to have a picture of me?



No,
it's...
...
not.

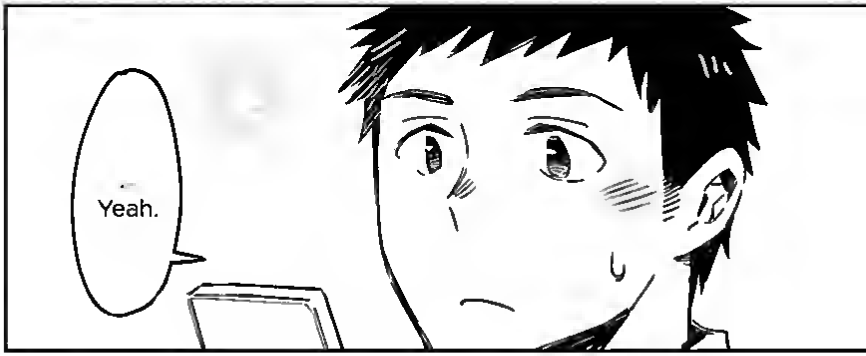
SPIN
.....

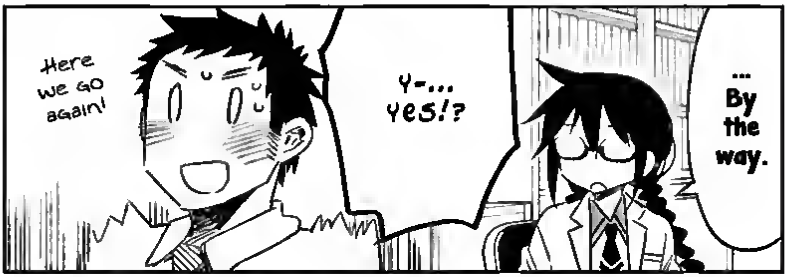
All right then.
As long as you understand.
.....



Yeah.

About "the guy she likes" and so on!?
She just said something pretty incredible didn't she!?
Hold it, hold it, hold it! "Yeah"!? What did I just say "Yeah" to!?

No matter what they say or do, I just need to stay calm and maintain my composure.
REFLECTING
Guess I'll save this for now.
In any case, I can't afford to keep freaking out over every little thing!

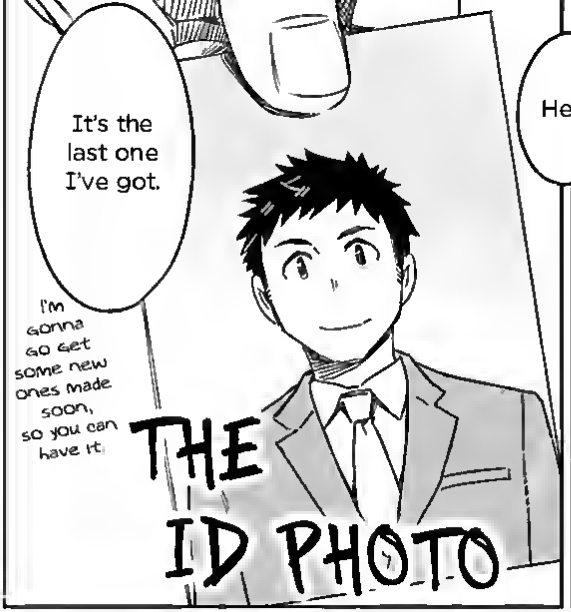


Here we go again!
Y-... Yes!?
... By the way.

Huh?

Don't you think that's kind of strange?
Now you've got a picture of me, but I don't have one of you

No no, I think it's definitely unfair
No, that doesn't seem strange to me at all



Huh!?
??
I'm not going anywhere!
All right then, let's go take some!
If you don't want it, give it back!
I don't have any.
I don't want that. Give me a more interesting one

Here's hoping to see Sensei's new, more interesting photo!
